Director's Note

Directing the Broadway Revue at Severna Park High School has been an amazing opportunity to work with this resilient group of theater artists! The students are all amazingly invested in their performances and their ability to adapt to working on a virtual production shows their versatility as performers. Our artists have had to adapt to new methods of storytelling through the online medium through learning their music and choreography at home. We were all able to learn a whole new skill set through performing virtually, in addition to trying songs from more recent Broadway productions.

In choosing the songs for the revue, we made sure to pick songs that suited performing from home. Many of the numbers feature locations and props, which are specific to each of our students' lives, which makes this one of our most personalized shows to date! We've been able to include so much virtually that are hallmarks of our live performances as well, such as the dance features, instrumentalists, and our MCs.

Personally, this show presented so many challenges to overcome. I have been honored to direct multiple virtual productions this year, but the Broadway revue has definitely been the most rewarding. I have been so excited to watch all the pieces come together and be able to give the students the chance to continue performing. Additionally, the fact that we can use this production to raise funds for Burgers and Bands for Suicide Prevention has been very gratifying and helps our students give back to our local community.

I am so thankful for the help from our boosters and the parents of the students involved. All of our volunteers, students, and staff have worked so hard on this production. Ms. Germanos and Diane have literally held this production together through their work as producers and this production would not be possible without them. I want to thank our videographer Nolan Marks for all his technical wizardry. Our student leaders have been so helpful and supportive to the rest of the team and made this whole process easier.

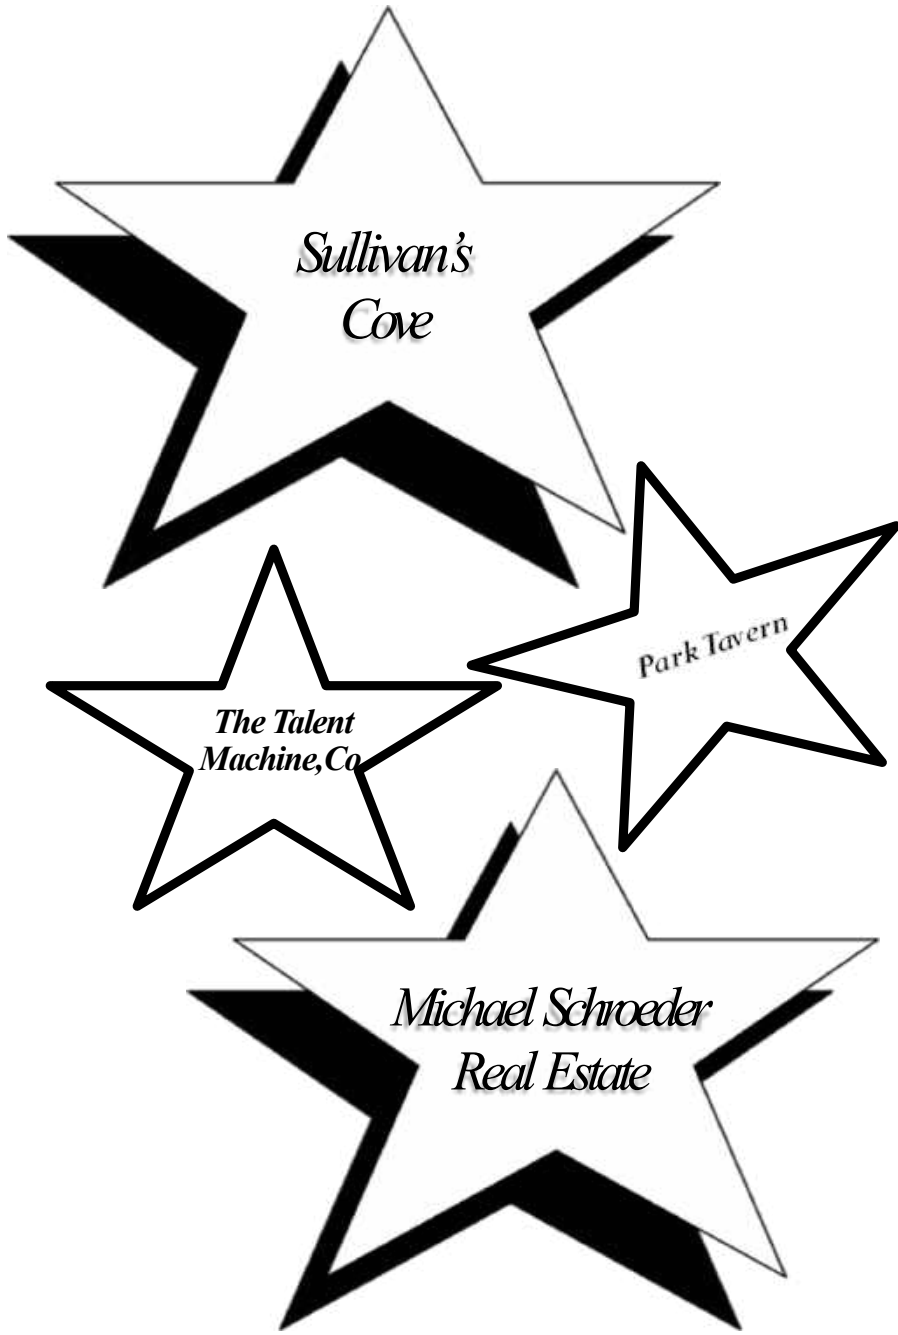

As a local director, designer, and teaching artist who has produced a multitude of productions throughout Maryland, I'm honored as a Severna Park High 2014 alumni to be back directing for the school. Based on my artistic opportunities at Severna Park High, I have had the chance to further my career in theater throughout the local area. I have taught acting for Severna Park Middle School's drama camp in addition to directing their annual musical revue and spring musicals from 2014-2019. I've directed and taught acting at Indian Creek Upper School summer camps in 2018 and I am currently a teaching artist for Children's Theatre of Annapolis. I have been directing Severna Park Elementary School's spring musicals since 2017 in addition to directing productions at many local theaters; notably Neil Simon's Rumors at the Colonial Players and Chitty Chitty Bang Bang at Children's Theatre of Annapolis. Outside of directing, I also work with multiple theaters in various roles - lighting design, stage management, set design, and scenic artistry.

As a director, I know that collaboration with other artists provides the most creative atmosphere for a theatrical environment, especially in an online format. I believe that putting a nontraditional twist on shows can help each specific production find a way to make the story their own and connect with the audience. I love to create spaces where young artists can push themselves and surprise themselves with what they can achieve. I strongly believe that through theater, people can learn communication skills that benefit them off the stage in school, work, and everyday life. I have been honored to work with everyone involved in this virtual production. Enjoy the show!

-Atticus Cooper Boidy

I am very excited that we are making this opportunity available to our students! Massive thanks to Atticus Boidy for coordinating the dance/vocals/acting and videography needed to make this show possible! I am grateful to the Falcon Drama Boosters for their dedication and support and to our Assistant Producer Diane Heath for her hard work and insight. Special thanks to our Administration for their support and to the families of these cast who support their kids every day! Enjoy the show!

-Angela Germanos, SPHS Drama Director

BROADWAY REVUE BIOS

Colette Barlow is so excited to be a part of the Broadway Revue. She has partaken in many school activities in music such as performing in shows, singing in choirs, and choosing classes in the music arena. She loves writing songs and performing with her band. She would like to thank all the silly drama in her life for making her a good actor and all the musical opportunities provided by SPHS!

Colin Benedict was a soloist and ensemble member for Rock 'n' Roll Revival XXX and XXXI and appeared as Casey McKnight in Where Troubles Melt Like Lemon Drops in the 2020 One Act Festival and as Bottom in A Midsummer Night's Dream. Gonna miss this great theatre department!

Anthony Dicks is very excited to be part of the Virtual Broadway Revue. He has participated in numerous shows, both inside and outside of school, including *Mamma Mia*, *Newsies*, *Oklahoma*, and most recently, *Cinderella*. He has also been apart of Rock 'n Roll Revival throughout his high school career. He would like to thank Atticus, Mr. Brisentine, and Miss G. for their support, encouragement, and for taking the time to put together this show.

Lucy Feldmann can be found on the (virtual) stage, when she's not re-writing her college essays. Throughout her time with the SP Stage Co, Lucy has been a publicity chair, student director, *Mamma Mia* ensemble member, Oklahuman, and, best of all, a mouse. She is also a three-year Rock-N-Roller. 2020 has been a rollercoaster, but Lucy thanks Miss G, Mr. Brisentine, Atticus, and Nolan for making her senior show the best that it can be!

Sarah Gee has been in *Chicago*, RNR, and always found a way to be involved in music whether in school or outside of school. She has a love for the performing arts and has loved the opportunity to perform amongst incredibly talented people. She hopes to continue being involved in this passion of hers wherever this next chapter of her life takes her.

Cade Halloran is a graduating Thespian, who has been extremely grateful to be part of SPHS Drama since his sophomore year. He's definitely come out of his shell due to this program, and it's been a fun ride! He hopes you enjoy the show and that it makes these hard times just a little better.

Ellie Heath is thrilled to be in her fourth and final fall production! She has taken part in every fall musical and Rock'n'Roll Revival throughout her years at SPHS. Outside of theater, Ellie enjoys sewing, playing guitar, and looks forward to continuing theatre and costuming while pursuing an Education degree in college. She would like to thank her parents, Mrs. Metcalfe, and her siblings, Robert and Abbie, for their continued support.

Nick Ivey is a 17-year-old senior who has been performing in various shows since elementary school. From Mini Rock 'n' Roll Revival in 4th grade, to *Cinderella* in his junior year, he's very excited to be a part of another show with his friends. Nick is also very grateful for the opportunity to be student director, and would like to thank his family for their support (and Keith for his cameo):)

Evan Molavi is a returning cast member and instrumentalist with Falcon Drama, having performed in RNR, *Cinderella* and One Acts. He's excited to be part of this unique performance. Special thanks to Mr. Bath-ras.

Kaitlyn Mummert is excited to be a part of her fourth SPHS fall production! She has thoroughly enjoyed being a part of these productions and has had a blast being the student music director for the past two years. She wants to thank her friends and family for being so supportive, and Miss G, Atticus, and Mr. Brisentine for all of their hard work. She hopes you enjoy this spectacular show!
